

RS31 Series End-of-Life Notification

Sep., 30th 2020

We are regretful to announce that the RS31 series is approaching the end-of-life stage. Effective from March 31st 2021, we will stop selling the RS31 series and corresponding accessories. The affected models are listed in Appendix A.

End-of-Life Timeline

Timeline Event	Date
Last Order Date for Product	March 31, 2021
Last Order Date for Spare Parts	March 31, 2021
End of Software New Request	March 31, 2021
End of Software Support Date	March 31, 2022
End of Service Date	March 31, 2023

Service and Warranty

The one-year (1) product warranty remains effective. CipherLab will continue to provide repair service and support until March 31st, 2023. All repairs are subject to charges by the term.

Timeline Event Definitions

- Last Order Date for Product: will not accept product orders after this date.
- Last Order Date for Spare Parts: will not offer spare parts after this date.
- End of Software New Request: will not accept requests for new software functions or features after this date.
- End of Software Support Date: will no longer maintain or support software revisions for the end-of-life product after this date.
- End of Service Date: last date of the repair service will be available.
- The timeline is based on material availability and current sales rates. Components may be depleted before March 31st, 2020 based upon order demand which would force us to pull in the last book date of the RS31 series.
